Abstract. Situational crime prevention focuses on the settings for criminal acts rather than on the characteristics of offenders. It provides a practical approach to improving safety and challenges criminological theories based on offenders' propensities for mischief. According to situational crime prevention, crime is the result of an interaction between disposition and situation.

Situational Crime Prevention: Theory, Practice and ...

Crime Prevention: Theory and Practice (CRIM3006) There are multiple strategies that are implemented by individuals, communities, institutions, and agencies that are designed to target the individual, social, and environmental causes of crime. The prevention of crime is multifaceted and involves theory, scientific evidence, the application of an appropriate framework, intervention, and evaluation.
