If Nobody Speaks of Remarkable Things
(henceforth INSoRT) was McGregor's
first novel, published in 2002, when he
was twenty-six years old and a complete
unknown. It put him straight on the

is British writer Jon McGregor 's first novel, which was first published by Bloomsbury in 2002. It portrays a day in the life of a suburban British street, with the plot alternately following the lives of the street's various inhabitants. All but one person's viewpoint is described in the third person, and the narrative uses a flowing

I just now finished this book and wanted to write my review while I was still under the spell of this remarkable novel. What I'm going to do next is search Amazon to try to find other books by this author. If this is a first book, then I would say this to the author: Sit down and write!! Read more.
