**Home—AGICJ**

On October, 18th, 2020, the Prosecutor of the International Criminal Court (ICC) paid a visit to Sudan. In the true sense of the word, the visit is historical. Its importance has little to do with the fact that it is the first of a kind. All is in the timing and object of the visit.

**Home | African Group of Experts on International Criminal**---

On one hand, there is a sense that African states were using the establishment of the African Court of Justice and Human Rights to shield themselves from the ICC [International Criminal Court]. On the other hand, the ICC does not appear to be set up to prosecute other crimes of concern to African nations, for example, pillaging natural resources or financing wars that result in mass atrocities.

**The Future of International Criminal Justice in Africa**---

International Criminal Justice in Africa contains a collection of papers by members of the Konrad Adenauer Stiftung's African Group of Experts on International Criminal Justice. The members of the group, mostly academics and legal practitioners,

**INTERNATIONAL JUSTICE: THE INTERNATIONAL CRIMINAL COURT**---

The 16th session of the Assembly of States Parties to the International Criminal Court (ICC) got underway on December 4, 2017, at the United Nations (UN) in New York with full African turnout. This has been a particularly eventful year for African states' relationship with the world court.

**What's Next for Africa and the International Criminal**---

The International Criminal Court (ICC) investigates and, where warranted, tries individuals charged with the gravest crimes of concern to the international community: genocide, war crimes, crimes against humanity and the crime of aggression.

**International Criminal Court**

This book explores a range of issues related to the development, application and enforcement of international criminal justice within Africa and on Africa. Written by experts from Africa, and adopting African perspectives, it seeks to understand the scope and reach of these issues, nationally, regionally and globally.

**Africa's Role and Contribution to International Criminal**---

Political issues have proved divisive too. To Professor Jalloh, the biggest challenge is the perception that there is a "double-standard" in international criminal justice. In particular, as it relates to the decisions of the UN Security Council in the exercise of its power to refer situations to the ICC or to defer them. For example, African countries sought to suspend the ICC's work for a year in relation to the Sudan Situation.

**The Relationship Between Africa and the International**---

International criminal justice has also extended its presence in Africa by reaching out more effectively to the victims and the civil society organisations that support them. Habré's victims and their supporters played a determining role in bringing him to trial and pushing Senegal and the African Union into agreeing to an Africa-based trial.

**International criminal justice in Africa: Reports of its**---

This article seeks to contribute to the debate on international criminal justice; in particular it advocates that a victim-centered accountability system provides the most effective justice, and further that institutions within Africa must have the legitimate opportunity to achieve accountability for the crimes that take place within the continent.

**International Criminal Justice in Africa**

Given the lack of support from African states for establishing the ICL, the ICC remains the only court providing international criminal justice in Africa. That is likely to remain the case, in the absence of a further threat or action by the ICC against Africa's incumbent leaders. The Challenge of African Conflicts

(2017). In search of international criminal justice in Africa: What role for the United Nations? South African Journal of International Affairs: Vol. 24, No. 4, pp. 423-441.

**In search of international criminal justice in Africa**---

The phenomenon of using international criminal justice to address war crimes and human rights violations in conflict and post-conflict situations of Africa has emerged. This consist of a platform which is anchored in universal norms, with a court which does not form part of the domestic criminal system, and which in some cases sits outside the geographical jurisdiction of where the offences took place.
