The Chaos Walking trilogy is genuinely imaginative dealing as much with questions of privacy and information overload as it does with the more self evident subject of war (The New World's great menace is a germ that makes men s thoughts audible and visible.)

Monsters of Men (Reissue with bonus short story): Chaos ...

War makes monsters of men is one of the messages at the heart of this final part of the Chaos Walking trilogy. There are a number of more subtle messages too about how war is, always, a personal tragedy but can also be something experienced at third hand, perhaps by the collective unconscious of the participants.
