One of the initial steps to take when a spouse has cancer is to evaluate the seriousness of the disease at hand. Some cancers like breast cancer commonly have a high life expectancy. Early diagnosis and tailored treatment options have shown the average 5-year survival rate to be 90%, which will let both of you live a happy life post-divorce.

### When a Spouse Has Cancer, Should You Stay in the Marriage?

In these notes, the examining doctor said she believes Krista had breast cancer. I almost dropped to the floor. All I had in my mind was I have to hold myself together. Krista was already scared. The doctor came in and explained that Krista more than likely had breast cancer, but until the biopsy came back, we didn't know what stage or what type.

### The Other Side of the Breast -- A Husband's Perspective

I lost my fiance to cancer on February 6 2021. He was originally diagnosed in January 2019. Had surgery and chemo. He was getting clean scans and taking care of himself. Cancer came back in December. I can't believe he is gone. All of our plans are gone. We were together for 13 years. I'm devastated.

### How Do You Live Alone After Your Husband's Death?

Put olive oil or another oil on bread, rice, pasta and vegetables. Spread peanut butter or other nut butters – which contain protein and healthy fats – on toast, bread, apple or banana slices, crackers, or celery. Dip pretzels in peanut butter. Use croissants or biscuits to make sandwiches.

The Cancer man as a husband. The Cancer man is the happiest when surrounded by his big and happy family because he's the ruler of the 4 th astrological house of home and family. His main purpose in life is to have security. The 4 th House is at the bottom of the zodiac wheel and the foundation of a birth chart. This is also the way the Cancer man works on his love life: he starts building on the ground and keeps going up because he loves nurturing the roots he planted himself.

### Cancer Man in Marriage: What Kind of Husband Is He?

As the spouse of a person with cancer, you can't pretend to go it alone. Support groups, whether traditional and online, are excellent ways to share your feelings freely and without guilt. Members of the clergy, counselors, and trusted friends are also good outlets.
