Manual The Memory of Earth Scott Card (Homecoming Saga, Book 1)

The Homecoming Saga is a science fiction series by Orson Scott Card. The series is patterned on the Book of Mormon. Some of the names also come from the Book of Mormon. The series, containing five volumes, is set forty million years in the future, with volumes 1-3 taking place on a planet called Harmony. After the Earth was rendered uninhabitable by human wars, mankind departed for Harmony, as well as at least forty other planets. On Harmony, the colonists established the Oversoul - an artificia

Reviews

The Memory of Earth Publisher's Summary. High above the planet Harmony, the Oversoul watches. Its task, programmed so many millennia ago, is to guard the human settlement on this planet, to protect this fragile remnant of Earth from all threats...to protect them, most of all, from themselves. The Oversoul has done its job well.
